

What is even better than the empowering message in Miriam Laundry's book entitled, 'I CAN Believe in Myself'? When Miriam comes and shares this picture book with students herself!!

Staff and students at PL Robertson were treated this past week to such a visit and the response was unanimous... we LOVED Miriam! I was really impressed with Miriam's presentation. She is passionate about her message that we CAN do whatever we wish, as long as we use positive language, ask for assistance when needed and always keep trying! I highly recommend having Miriam Laundry visit your school!
